## What is ENTORGA-ENTECO?

ENTORGA-ENTECO is the world's largest trade show for waste management & environmental technology and has been the ideal venue for international exports. **1000** exhibitors are expected showcased their products to more than 49,000 attendees at the 2006 fair.

## What is shown at ENTORGA-ENTECO?

ENTORGA-ENTECO's major product categories are:

- 
- Waste Management & Recycling
- Water & Waste Water
- Incineration & Renewable Energy
- Municipal & Environmental Services
- Technology & Logistics
- Air Quality & Pollution Control
- Occupational Safety & Noise Protection
- Research & Organization

## ENTORGA-ENTECO Profile?

ENTORGA – ENTECO 2006, the Global Environmental trade fair, will present the breadth and depth of the innovations and developments in all areas of the waste disposal and environmental protection market. These areas include supply, treatment and disposal; solid and liquid materials; water and waste water; technology and logistics; air and noise, and renewable sources of energy. The new ENTORGA – ENTECO will cover the entire value chain for waste management and environmental technology.

## **USA Pavilion at ENTORGA-ENTECO 2006 The most convenient exhibit option!**

### What is a USA Pavilion?

It is a group exhibit of USA companies in a prominent location at the show. Each company has its individual turnkey exhibit. The Pavilion is designed with two objectives in mind: For attendees, to identify and combine USA vendors; and for USA companies, to provide an exhibit option that's both easy and effective.

### What services will exhibitors of USA Pavilions receive?

An exhibitor in the **USA Pavilion** receives:

- **Fully furnished booth** with USA Graphic elements, electricity, lighting and company sign
- **Booth cleaning**
- Use of Common **Lounge area** with **snacks and beverages**
- Shared **interpreter** services
- **Promotion** of USA Pavilion to international trade attendees and press
- **Assistance** before and during the show

**Your booth will be ready by the time you get to the show. Simply bring your products and marketing materials – and you are in business!**

**USA Pavilion starts at only US \$ 595.00  
per square meter for a turn key  
experience.**
